

## FREE Community Education Program

Providence Talks! is a physician-hosted event that lets you hear, first hand, about timely topics in the doctor's specialty. Participants receive a free healthy lunch.

# Melt Your Double Chin

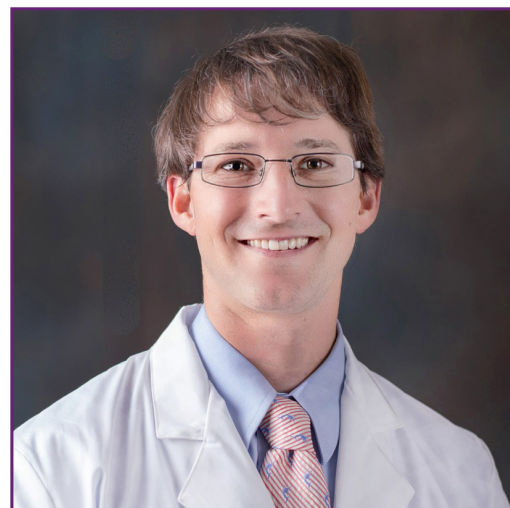

**Thursday, January 18**  
**Noon - 1p.m.**

Providence now offers the first and only FDA-approved injectable to reduce the appearance of fat beneath the chin.

Join Dr. W. McIver Leppard for an open discussion on this non-invasive procedure to enhance your appearance and revitalize the Best You.

**Space is limited, and pre-registration is required.**

Please call **800.424.DOCS** for more information.
