Our mission of Making Communities Healthier® by Extending Christ’s Healing Ministry has always been central to the contributions we make to the Midlands. As our region found itself impacted by the COVID-19 pandemic, that mission became even more critical to the well-being of our community. We are proud to be part of a national healthcare network that provided quality care for more than 20,000 COVID-19 patients in 2020 – including those here at home. LifePoint Health’s continued support – and yours – allows us to create places where people choose to come for healthcare, physicians want to practice and employees want to work. As we look ahead to a bright future, we look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

— Terry Gunn, Market CEO

In 2020, we...

...added 60 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in heart surgery, otolaryngology, emergency medicine, general surgery, gastroenterology, hematology/oncology and more.

...made more than \$1 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s healthcare needs. This year’s investments included new software for GI and bronchial lab imaging and reports and other technology enhancements.

...distributed a payroll of \$105,848,424 to more than 1,300 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$77.3 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$13,320,764 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

F-16 fighter jets from South Carolina's Air National Guard flew over **Providence Health** to show support for our healthcare heroes.

Providence Health is grateful to all of our healthcare heroes for their tireless dedication to our mission throughout the pandemic.
